Unsurpassed Range

Redefining long-range coverage and clarity with a unique antenna design and advances in noise-filtering technology.

Handset and Base Speakerphone

Allows you to speak and listen without holding the handset. This leaves your hands free to do other things and lets more people participate in the conversation.

Extra-Large Display for Easy Viewing

Easy-to-read LCD on the corded base. High-contrast black text on a white background makes it easy to view incoming Caller ID or review Call History.
